PRECI DIP

Bilateral Meetings

- (09.30 am - 05.30 pm). Please add the "Cooperation Profile" below

Description

PRECI-DIP packs unequalled expertise into cutting-edge interconnect components. Advanced designs, top materials and incomparable Swiss precision developed by men and women driven by passion and know-how. Key data for one of the world's leading producers of screw-machined contacts: 25'000 m², more than 20'000 different products, R&D supported by state-of-the-art CAD systems and 3D projections. Our company meets with standards ISO 9001, ISO 14001, EN 9100, ISO/TS 16949 and MIL-Standard 790.
