- (09.30 am - 05.30 pm). Please add the "Cooperation Profile" below

Description

My company is structured only by the owner, I create bed linen and towels personalized, I lean to pack sheets to a company founded in 1800 in Milan. I have worked for more than 25 years using fabrics made in Italy, materials and valenciannes lace yarn in a wooden frame of 1800 also. I also offer other valuable materials, such as buttons in semi-precious stone. I have samples of organic flame retardant fabrics and suitable for hotels and offices with certificate. I can provide luxury fabrics and high quality even in large quantities. My style goes from classic to contemporary, from domestic to contract. I am a member of the Women's Business Association of Artisans of Milan, Monza and Brianza.
