Bilateral Meetings

- (09.30 am - 05.30 pm). Please add the "Cooperation Profile" below

Description

G2 is an Accelerator for Startups and "High Potential" SMEs and an enabler of Open Innovation and Development processes for Corporates and Institutions. G2 works with startups in the early stages of development - pre-seed / seed - participating in their capital and accelerating their development with focused measures depending on the context. The deal flow generation is managed by G2 through dedicated calls and the scouting of potential targets.
